Picasso heirs win claim

GRASSE, France (AFP)
A Grasse court yesterday upheld the claim of Claude and Paloma Ruiz-Picasso to be the natural children of the late Pablo Picasso and to have the right to share in the painters' estate.

Claude and Paloma, the children of Pablo Picasso and painter Francoise Gilot, will each be granted one-eighth of the Picasso estate, the Court ruled.

NEWSLETTER FOR FEBRUARY 1975

As long ago as last June we reported the arrival of 'the rains' which sent the tennis enthusiasts scurrying for shelter. Since then they have hardly had the opportunity to resume play due mainly to the unseasonal weather - which would appear to be now a regional or even a world-wide phenomenon.

However, the optimists have set February for the club tennis championships which this year will be organised over two weekends. The final day, Sunday 9 February will be marked with a special lunch and this will be followed by an exhibition match between Thailand's leading players, Somparn and Felix Bautista. There will also be a raffle. So, come along enjoy a good lunch and some first class tennis.

MEMBERSHIP COMMITTEE

The Chairman wishes to thank the Membership Subcommittee for their thorough and comprehensive review of the membership provisions of the Club's Constitution and Rules.

The subcommittee was constituted as follows:

ROAD SAFETY

"The undersigned has been requested by His Excellency The Phraklang to inform British Subjects that in future they will not be allowed to ride along the brick road in front of His Majesty The First King's Palace.

There are also other roads in the vicinity of the Palace where they are forbidden to ride, respecting which further notice will be given - they can however pass these roads on foot if they should require to do so.

The undersigned has also received a complaint from the Siamese Government that Foreigners are in the habit of riding furiously along the public streets to the great danger of those who walk along them.

The undersigned trusts that British Subjects are not amongst those who have been guilty of such barbarous conduct, but in case they should so act, he warns them that they thereby render themselves liable to fine or imprisonment."

"THE MORNING AFTER"

(Wife Speaking)

Good morning, my bright international mate,
My outstanding genius in problems of state;
I trust all is clear in that wonderful mind
Which last night remodeled the whole of mankind;
Your handling of Russia, the Ruhr, Palestine
And China and Greece; it was masterly, fine
You're sure to be named as "The Man of the Year";
Here's four or five aspirins -- swallow them, dear.

Awake, my fine songster! It's well on towards noon.
All morning I've waited, just hoping you'd croon
A measure from "Chloe" or "Deep Rolling Sea",
Which last night you sang until half after three.
You wakened the neighbors, you tripped on the mat
And one of your props was your hostess' hat.
I'm sure she will want you again for tonight --
The life of the party, whenever you're tight.

Arise, my sweet prince, but be careful, don't skid.
Arise and consider the things that you did.
The uprooted garden, the splintered garage;
It sounded just like an old-fashioned barrage.
Go see your hostess -- and carry a check,
I think if you sign it just "Pain in the Neck"
The bank will okeh it -- it would have to be you --
The clown that went berserk 'twixt the dawn and the dew.

So drink up the seltzer, you chattering drone,
It's said to be good for a splintering dome.
I wish I were Sandow; how far I would throw you!
For the next thirty days please pretend I don't know you.
My juvenile jackass, my dim-witted duffer,
You say you feel awful? Well, godammit, SUFFER!

SWIMMING NOTES

In place of the Handicap Series, a Water Polo Game was arranged to include students on holiday. This was a great success well supported.

Khun Choon's Swimming Classes in Tuesdays & Thursday are proving very popular. A total of 60 children participate in these classes and there is already a waiting list.

The 1975 Monthly Gala will recommence on 2 February at 11.30 am with Freestyle, Backstroke and Diving. The Galas will be held throughout the year in the first Sunday of each month unless otherwise posted. All children of any standard are encouraged to join in the fun. Points are accumulated throughout the year and trophies for each age group are presented at the end of the year.

TENNIS NEWS

The tennis tournament this year will be run on somewhat different lines from previous years. Instead of allowing the tournament to extend over 4/6 weeks and largely leaving competitors to sort out their own times for playing, the tournament will be run over two weekends in February, with the week in-between available for matches which cannot otherwise be played for whatever reason. No matches may however be re-arranged without the consent of the Tournament Referee.

The programme is:

1/2 February

Preliminary rounds

8 February

Singles Final
Ladies Doubles Final

9 February

Mens Doubles Final
Mixed Doubles Final

Special Lunch

Exhibition Match (Somparn and Felix Bautista)

An innovation this year will be a plate competition for first round singles losers (ladies and gentlemen) and all such losers will automatically be entered in these events.

The subcommittee hopes that tennis enthusiasts will enjoy the tournament and give support to the experimental way in which it will be handled. One of the reasons for holding the tournament and Gala Day together is to try and restore the sub-section coffers to a semblance of liquidity, consequently the tournament entrance fees have been raised and all tennis supporters are urged to rally round and buy raffle tickets (which will be on sale very soon) and attend the lunch on Sunday 9 February. Only by having some funds available can matches be held against local clubs and tournament prizes paid for!

COMPETITIONS ON PUBLIC HOLIDAYS IN FEBRUARY

Tuesday 11 February (Tee off 8.45 am)

The LGU v The Men fixture will be held at the Rose Garden. Husbands and wives will not play in the same group and groupings will be arranged according to handicap as far as possible. Ladies with non-playing husbands are welcome as are lonely men! Anyone wanting a game on that date please indicate on the list on the board in the British Club.

CLOSING DATE 3 FEBRUARY.

GENTLEMEN - please note. In Britain no man has a handicap of more than 24 and as we girls of the LGU abide strictly to the rules we regret that on this occasion the maximum handicap allowed will be 24! For those who did not play last year the Men won by .001 of a stroke - so they say. Donations of prizes would be most gratefully received.

Tuesday 25 February (Tee off 10 am)

The LGU have booked fifteen groups to play at the Rose Garden. The Men will have their own competition and the Ladies will have 'their own thing'. It is hoped that a number of Americans and Scandinavians will be playing and once again groupings will be made so that some interesting matches can be played. Men will be restricted to 24 handicaps. Please sign the list on the board before the CLOSING DATE - 17 FEBRUARY.

GOLF NEWS

Dunlop Match Play Trophy

This popular tournament is reaching its final stages. On 5 January at the Rose Garden Noel Bond and Paul Huey won an exciting quarter final match against Terry Moore and Robin Worth on the last green where Noel had to sink a seven footer for his side to maintain a slender one hole lead. This strong partnership of Bond and Huey now goes forward to the semi-final in which they meet Eric Howell and Derek Pott.

Better Ball Against Par

This, the last tournament in 1974, was held at Hua Mark on 22 December in beautifully cool Golfing weather. With the ball running well and with true greens Robin Worth and Tommy Madar showed their combined skill with a score of +7. We understand that Robin did most of the work whilst Tommy provided the moral uplift! Runners-up with +6 were 'Cobber' Burrows and John Ford who edged out the father-son combination of John and Chris Mumby for second place.

Medal Event at Rose Garden

The New Year saw some 29 players make the Rose Garden for an early morning (7 am) start. On a cool morning Martin Waller, on vacation from Oxford, led the field from start to finish and emerged clear winner with a net 68. Martin played fine golf in carding a 38+40 = 78 gross score and will justly return to a single figure handicap. Second prize went to Derek Pott who shot a steady net par of 72 off a 14 handicap. This was the second time that Derek has been runner-up in recent months and it says much for his avid reading of golf books.... and practising in the back garden!

Forthcoming Events: Whilst below are printed the full list of forthcoming matches, two are worthy of special mention. viz.

Captain's Prize to be held at Sarika. This is a Stableford Individual event and will mark the termination of the Captain's year in office. Our Captain, Alastair Lapping, is still away on home leave but he has promised to return for this event, says that he is very much looking forward to playing again at Sarika and is bringing the prize back with him from England.

(Continued)

GOLF (Continued)

Some bungalows are available at Sarika for those wishing to travel up the previous day and get in some practice. The cost is very modest. Anybody interested should contact the Acting Captain, Eric Howell, for further details.

Societies' Tournament to be held at Hua Hin. Notices have already gone out from the various Societies on this Tournament which promises to be lively - both on and off the Golf Course.

Should you require information on this Tournament you are at liberty to contact the Societies' Golf Convenor Angus Robertson of the St. Andrews Society and Glaxo

SQUASH NEWS

League

The past twelve months have seen, on the one hand, a steady increase in the number of participants each League, and on the other the organisers continued modifications of the rules to accomodate this expansion. The process will continue through 1975 as the League system is gradually improved, seeking to balance a player's enjoyment of the game with his obligation to play the other members of his division.

The amount of pleasure derived by Members from playing Squash is of paramount importance to the organisers, but that pleasure can be dampened considerably by the lack of facilities, e.g. the difficulty of finding mutually agreeable playing times for both parties amidst the extremely heavy evening bookings. And when finally on court, thirty minutes, (necessary to obtain maximum usage), is quite often insufficient time to complete three games, while overrunning the period results in having two agitated men in white glaring down from the balcony. Lunch-times became duly designated as peak periods last year as more and more players turned to that part of the day to fit their games in. At the present rate of growth, the booking sheets will have to be extended to accomodate pre-breakfast matches!

The 7th League is due to start 1 March unless court repairs force a delay, and will run for two months. Members of the 6th League will automatically be entered for the 7th unless they inform the subcommittee of their intention to withdraw. Any player who did not take part in the 6th League, or who withdrew from it for whatever reason, but wishes to join the 7th League, must fill out the appropriate entry form available in the Office or at the poolside bar. The closing date for entries/withdrawals is 21 February. New players please give adequate results of games played so that you may be correctly placed in a division. Any forms/correspondence for the attention of the subcommittee should be posted in the small results box at the poolside bar, or placed in the pigeon-hole in the Office. Please note that passing on verbal instructions is inadvisable, they might get forgotten.

(Continued)

SQUASH (Continued)

Round-Robin

Unfortunately, the Club is unable to support a Squash coach, either full or part time, or even in conjunction with the RBSC. This means that beginners, and those less adept at the game do not get the chance to improve as quickly as they would like. The Leagues do provide a means to improvement and last May R-R competitions were introduced to partially fill the vacuum by bringing together players of widely varying ability in matches using a handicap system. The present formula whereby div. 1 to 4 and 5 to 9 play together was prescribed when experience showed that too great a disparity between the abilities of two opponents tended to detract from the fun of the game. However the system is flexible and if you would like to see the competition run differently please let us know.

It is hoped that during the coming year Squash clinics and exhibition matches can be promoted for the benefit of Members.

Social

The Squash Social marking the end of the 6th League will be held on Friday 7 February. Prizes will be awarded to the 1st, 2nd and 3rd placed players in each division.
