Editorial

By now all Members should have received our sister publication, the 1984 Annual Report and Directory of Members 1985. Keep it by your telephone.

A glance through the booklet will reveal a list of clubs overseas with whom we encourage reciprocal useage. Do remember to take advantage of this benefit when travelling outside Thailand. The British Club office has details on request. Some are resident.

Another Committee year draws to a close. Do try and attend the AGM on March 19th. Exercise your vote and support the F & B figures. It is certainly the big night of the year, bringing many Old Guard out of the woodwork.

As for the proposed increase in subscriptions, if it is what the British Club needs in order to continue to provide the excellent benefits that it clearly does, WHY NOT! Perhaps we can replace the piano and equip ourselves with a sensible sound system / PA for functions.

Would those of you out there interested in involvement with OUTPOST, contact Tim Hughes.

MANAGER'S REQUEST

During the past few weeks some member's children have become overly mischievous. Just some of the kiddies commando raiding parties have included:-

- 1. Turning off all the water supplies to the poolside area.
- 2. Turning off all the main electric water pumps to the clubhouse.
- 3. Taking the concrete covers off the water storage tanks and filling them with rocks.
- 4. Destroying the gardeners seedling pen and throwing the concrete blocks and earth onto the lawn.
- 5. Climbing up the clubhouse fire escapes and walking about on the roof.

In no way do I wish to stop children having fun, but I feel that if this sort of behaviour is allowed to go unchecked by parents, very soon there will be some major damage caused to the club property or more importantly a serious accident.

Could parents please try and control their children a little more responsibly. I think a lot of this mischievous behaviour is brought about because of boredom. If any parent has got any ideas for starting more activities for kiddies, please let me know.

Thanking you in anticipation.

HAVE A HEART RHESUS NEGATIVE BLOOD

Blood of groups O Negative, A Negative, B Negative and AB Negative are in short supply in Asia as Asian people rarely have Rhesus Negative blood, therefore it is essential to have a complete list of Rhesus Negative donors, who are willing to be called in case of emergency. You never know when you may need a blood transfusion. If you have Rhesus Negative blood and are willing to be on an Emergency list please contact:-

The Matron

Bangkok Nursing Home, 9 Convent Road, Silom, Bangkok 10500

BRITISH CLUB - Video Library

After a lot of hard work by Hugh Colton the British Club has started it's own video library. The tapes are high quality British T.V. recordings of comedy programmes, sport, and general interest subjects. There is a catalogue in the bar for you to peruse at your leisure and the library rules and charges are listed below.

- 1. Each tape may be hired for \$30.
- 2. Each hiring is for a period of 7 days maximum.
- 3. For every day thereafter a charge of \$10 will be made.
- 4. Members wishing to hire tapes should contact Khun Prayoon in the manager's office during office working hours and complete the tape hire book.
- 5. Members hiring tapes will be charged automatically at the end of each financial month.
- 6. A charge of \$300 will be made for any tapes that are lost.

Good Viewing!

D.C. Williamson

Manager

N.B.

In future we will be attempting to expand the tape library as-finances allow. However, this could be greatly helped if any members leaving Bangkok could consider donating tapes or even selling them to us at greatly reduced prices!

OUTPOST

BC Sports teams have been enjoying an unusual amount of success during recent months and much of this has been attributed to secret closed-door squad training techniques. Cameras are usually strictly forbidden but somehow this picture got through showing the Section leaders training hard at their headquarters somewhere deep in the Bangkok jungle. Never before has this fine body of men be caught in action with their pants down. For the record, from left to right: Mike Lamb, golf; Hugh Jamieson, swimming; Terry Smith, rugby; Jack Dunford, cricket and BC sports; Brian Heath, running; Paul Buckland, haggis tossing; Les Currie, squash; Jake Olver, tennis; Dave Wallace, football. Don't they have lovely Dickies!

Is it true the United Kingdom is now a Tax-Haven for the returning Briton? PFC believes that it is!

With inflation under control and the recent advantageous tax changes, the U.K. provides a very favourable environment for the returning expatriate.

Not only has investment performance risen but the abolition of Investment Income Surcharge has reduced the top rate of tax on income to 60%. This is important for those planning to obtain an income in Britain from capital accumulated overseas.

Nor will buying a house be such a financial strain since Stamp Duty has been halved and the threshold on property purchases raised.

SWIMMING

Proficiency Badges

An excellent turnout of 20+children appeared on 9th February for what was to be a marathon testing session, lasting 3 hours! This was, in fact the last time that the BCB 'home brewed' tests will be used - so if you're not a Shark now, you never will be! The next tests, in April, will be for the English Swimming Association Tests - more details in the next Outpost.

Congratulations to the children listed below for their efforts:

Puffer

Lynley Strange Judith Rutter

Lucy Johnstone Peter Rutter Ann Fordham

Timothy Strange Timothy Johnstone

Gala February 10th

Once again, a good turnout of 20 swimmers for the February Gala, including 3 new faces. Welcome to Linda Fowles, John Barnes, and Tam Rimes. We hope that, now that the cool season has passed, and the last snow has melted off the front lawn, more children will take the plunge and persuade their mums and dads to bring them for a hours splash at the next gala.

^{*} Improver of the Month: Hannah Thompson (the only swimmer to improve in all three stroke

This time, we have decided to print the results in full, so that you can keep your Record Cards up to date. As you can see, this time there were 17 best performances. Particularly worthy of mention are:-

* Elizabeth Buhler - 33 seconds improvement on freestyle since last swim in September.

Only six more seconds to the record - how about breaking that in March?

- * Nicholas Baillie 3 seconds off freestyle and 6 seconds off I.M. why no backstroke? You might have been improver of the month.
- * Simeon Thompson 9 seconds off freestyle and 11 seconds off backstroke. What happened to the I.M. you lazy whatnot? You would probably have easily beaten your sister to be improver of the month.
- * Natasha Lovell a very credible 1.25 in freestyle on her first outing - if you'll excuse a horsey expression - as an under 13. That equalled the time of:
- * Kris Erswell who knocked 6 seconds off his previous best freestyle time.

IMPROVER OF THE MONTH *** HANNAH THOMPSON ***

Hannah was the only swimmer to record improvements in all three strokes - Freestyle, 3 secs off, back, 1 sec off, I.M., 1 sec off. Well done Hannah!

For those not familiar with Galas, a word of explanation might be appropriate. Although the event is organised as a series of "races" in each age category, in fact there are no prizes for coming first! What is important, is your time in each stroke, and how it compares with your previous best time. If you improve in all three strokes, then you may well be "Improver of the Month" pext time. The next gala will feature Breast Stroke, Butterfly and Individual Medley, so come on all you swimmers - even if it takes 10 minutes to swim a length of butterfly, if it took 12 minutes last time you may well be "Improver of the Month".

IMPROVER OF THE MONTH FOR DECEMBER AND JANUARY

C.J. Kefford and Natasha Lovell

The next gala will also feature the popular "Beginners Width". This time there will be no cheating, and apart from the under 7's any one who has just swim in the gala won't be allowed to take part - unless they swim across feet first!

We also hope to organise a Mums and Dads relay race. So come prepared!

Next Gala SUNDAY 10 MARCH 12.00

Endurance tests 50 - 3,000 m (2 to 120 lengths)
SATURDAY 9 MARCH 10.00

COMMITTEE

As reported last issue, Kay Hambleton has handed over responsibility for Training schedules and tests to Erika Majer. Kay took on this task at an early stage and has devoted much time and a few quiet tears to getting the schedule into its current shape. Thanks a lot Kay, we hope that you will be able to come back and see us at the poolside sometime in the future.

Another pending departure is Thelma Lay, who has been looking after the accounts. Many thanks for keeping them straight and we wish you well in the future. Jane Kefford has kindly volunteered to take over.

Last, and definitely least, is me, Tony Thompson, the new Outpost scribe. That's what comes of writing nice letters about Barry Collins in the past, ones literary talents are immediately siezed upon.

The Committee now comprises:-

	Erika Majer	-	Training Schedules	and	Tests	(Tel	252	7492
	Jane Kefford	-	Treasurer			(Tel	286	0032)
177	Diedre Johnston) -	Records			(Tel	391	4889
	Tony Thompson	-	Outpost			(Tel	391	4465)
	Barry Collins	-	Gala & Admin					3333
							X //	1001

A couple of last points.

Swimming Records: Hopefully by the time you read this, children will have received their records, as promised in January Outpost. Apologies for the delay - which occurred somewhere between us and you!

Poolside: The Swimming Committee does have a responsibility for bringing any Poolside issues to the attention of the General Committee. If you have any comments, questions or suggestions, we will be pleased to hear them.

Don't forget:

GOING HOME? NEED A NEW JOB?

Returning to the U.K. today, presents big problems for the expatriate executive. The job market is tight, the economic environment difficult. You could spend months, if not years finding your next job - or indeed any job at all. We have found that expatriate executives often come to us MONTHS after they have returned home and after frustrating and unsuccessful self search.

And think of how much that costs.....

Connaught can help you in your search. We can assess your marketability. Identify career objectives, design a marketing plan and get you off and running as soon as you touch down in the U.K.

We have an unrivalled information system and the widest network of contacts in the U.K. and Europe, with instant access to the large pool of UNADVERTISED VACANCIES. Our success rate is second to none; that is why only we offer a success related fee structure.

An initial meeting is without commitment. For further information, please telephone for an appointment or use the coupon below for contacting us.

February 6 - Donofield Cup - Leonowens Trophy

Twelve snooker enthusiasts battled through 5½ hours to arrive at a conclusion of these two Volunteer Handicap Snooker competitions.

Harold Mercer, playing a cunningly "safe" type of game beat Ron Armstrong in the final of the main event - Donofield

Hans Daniels, a late entry (who claimed he isn't really a snooker player) battled our game expectant mother, Koi Armstrong in the Leonowens Trophy final and his superior potting skill (very evident during the evening) gave him the championship.

Well done Harold and Hans -" may your handicaps be reviewed for future events."

February 20 - The Leslie Collings Memorial Trophy

Only four pairs contested for this Straight Snooker Pairs trophy and this years repeat winners were Koi and Ron Armstrong.

David Williamson and Keith Davison beat Keith Ross and David Kluth while Koi and Ron were winning over David Hall and Steve Castledine in the first round.

In the final best of three Koi and Ron scored 78-42, 46-35 victories and concluded the match in straight games.

On March 6th the annual Ashes Match will be contested in various types of matches at the club. Captain David Hall of the Brits side will be coming with a strong team against Ron Armstrong's Aussies team. This will be a fun evening and all those wishing to view this spectacular exhibition of skill and nonsense are welcome to come - drink, eat and/ or watch.

There are bound to be some "dark horses" in the competition - but no leaks in team security have been heard as yet.

On March 20th - the AGM of the snooker section will be held in the Suriwongse Room - a good buffet and trophy presentations will take place; as well a good snooker film will be shown during the evening. All snooker players are invited.

LADIES' GOLF

Unfortunately news of the Army Course in Bangkhaen shows that our regular golf games will not take place there any more! Apparently there will be a lapse of 5 years before the normal 18 hole courses will be open for us, as they are making or laying a new 18 hole championship course. It has, therefore, been decided that on all regular Tuesday mornings (7 a.m.!), we will play at the Railway Golf Course, AND on the last Tuesday of every month: Medal day; we will play at Hua Mark, Krung Thep Kretha Course; and all big competitions will be at Rose Garden. I hope this is not too confusing!

Forthcoming events in March

5 March	(cancelled due to Makha Bucha Day
12 March	Par Bisque (Railway 7 a.m.)
19 March	Astral Cup (Rose Garden 7 a.m.)
26 March	Astral Cup (Rose Garden 7 a.m.)

With lunch and prizes at Lise's house on the last day.

Congratulations to both of you! As Wynne has left Thailand, I have sent her bronze medal to her in Wellington - New Zealand by mail. Joan will receive hers when she comes back from her holidays on the ski-slopes.

The GESTETNER Trophy - April 16th and 23rd

I hope we will have a big turn out with all members of BCLG at the Rose Garden for this great Stableford competition.

British Club v Indian C.C. 3/2/85. 30 overs league. Played at the Polo Club. B.C. won by 8 wickets.

It is always a pleasure to play against the thoughtful Indians at cricket. Having won the toss they decided to bat but were soon pinned down by Tom Ryan and Mac Sayer. They both bowled piercingly and it was good to see Tom amongst the wickets (He has a very long follow through!). (6-2-29). Mac bowled without receiving the greatest degree of luck but finished with the creditable figures of 6-0-15.

Only Ravi Seghal (26) an elegant performer, and Sunny (16) provided any threatening resistance against a consistent attack. Jeff Parry 2-17, Craig Price (3-5) and Mike Evans 3-20 took the remaining wickets. The Indians were all out for 101. It was a very competent all round performance by the British Club. One has to mention the ever increasing display of energetics shown by our resident on-field entertainer, Geoff Thompson. Idling the afternoon away on the mid wicket boundary playing the title role opposite 'mad dogs' he was suddenly aware of ten pairs of eyes homing in upon him, closely followed by a belligerent cricket ball determined to go for 6. With all the freshness of a young Salmon Geoff leapt out of his cricket boots in a vain attempt to get out of the way. Nothing doing! The ball impolitely stuck into his sticky palm and refused to leave. Geoff recovered from his surprise to acknowledge the wondrows applause of his team mates. How that catch will grow in stature!

Terry Adams (25) and Steve Bolton (40) gave the B.C. a 50 run opening stand. Steve at last showing the form he is well capable of. The Indian bowlers wilted and runs were scored easily. Craig Price (17) and Jack Dunford (14 n.o.) polishing off the remainder. It was a comfortable 8 wicket victory.

B.C. lost by 33 runs

British Club v RBSC at the Polo Ground. 9/2/85. 30 over league. B.C. won the toss and elected to field.

With no disrespect to Doug Beckett, whose contribution to cricket in Thailand has been well documented, there were not too many tears being shed by the British C.C. when he had to leave Bangkok a day before our first encounter of the season. (Best of luck Doug). It was with a renewed air of optimism that the British Club took the field.

The Sports Clubs opening pair of Coster and Baker never looked comfortable against the steady, but not threatening, opening spell from Tom Ryan and Mac Sayer.

Jim Baker was uncharacteristically aggressive in the first over and made a real mess of trying to hit Mac Sayer over mid on. We made an even worse mess of trying to catch it and a dream start went begging. Mac eventually redressed the balance and had both openers out when only 26 was on the board. At this stage pressure should have been applied on the batsmen but some sloppy outfield play allowed the RBSC to recover. Richard Ilingworth, as usual, batted sensibly and was ably supported by all the middle order batsmen. The only bowler to pose any real problems was Jeff Parry. No batsmen played him with any degree of confidence and there was an audible sigh of relief from the pavilion when Jeff fell awkwardly and twisted his ankle. What these Aussies will do for attention! He gives enormous confidence to the other bowlers. The batsmen are still recovering from Jeff's previous over so consequently give an excessive amount of respect to our stock bowlers. It is a real confidence booster when the batsmen take at least 4 balls to recover from a Parry battering that the most they can hit you for is 12.

The only consolation was that Geoff Thompson that acrobatic juggler was poised in the wings just waiting to repeat his previous weeks circus performance. We allowed the middle order batsmen to score freely and again our fielding was at its lowest during the crucial last five overs and the RBSC chalked up a creditable 149 off their allotted overs. Only Mac and Jeff bowled en par finishing with 6-2-18 and 5-2-20 respectively.

The Sports Clubs opening bowlers were much more penetrating than ours and runs were hard to come by. John Leicester, as always, bowled an immaculate line and length and was ably supported by Simon Edmonds. Terry Adams (26) batted with a renewed spirit and is beginning to blossom. (Its a rare sight!), Steve Bolton that enigmatic debt, collector never quite got to grips with the opposition. (During the game that is) and we were soon falling behind the run rate. Again the middle order batsmen failed and it was left to a sprightly stand between Allan Stamper (23) and Brian Thompson (15) to increase the run rate. They ran althletically between the wickets and demonstrated the importance of looking for quick singles around the edge of the wicket. These gave us a glimpse of victory but there was too much to do. The innings closed at 116 for 9, Jeff Parry not batting.

Without wanting to take anything away from the RBSC (except a shower may be!) the British Club have to believe that they can beat such opposition. They have a reputation that is somewhat self induced but are most certainly not invincible.

British Club v RBSC at the RBSC ground - 17/2/85, 50 overs. RBSC won by 8 wickets

I suppose when Brian Thompson and Tini decide to leave Bangkok there had to be a memorable party. There was. When they were sitting comfortably on their flight to Indonesia certain ghostlike figures were fumbling for their kit and audibly shaking with the thought of Simon Edmonds and John Leicester hurling a few around their ears. I am suspicious of the RBSC's tactics. Some of their senior players were also at the party but looked remarkably athletic whilst parading their skills. The sight of batsmen queuing infront of the captain feebly requesting to bat No. 11 was not won that instilled the greatest amount of confidence. However Terry Adams (27) and Craig Price (57) opened the innings and batted gladiatorially for a stand of 91. The British Club could not have dreamed of a better platform. Both batsmen looked in full command. As so often happens their wickets fell close to each others but they had certainly tamed the bowling.

Enter the rest! Allan Stamper was visibly wobbling when walking to the wicket and was convinced that John Leicester was bowling his delivery out the back of his hand at the same time as his orthodox one. Steve Bolton wearing that easily recognizable 'Patpong haggard countenance poked around a fair deal but failed to score! Only the burly Alistair Rider (25) and David Hall (10) offered any resistance. Alistair is well known for his big hitting and for a

brief while he looked capable of producing a match winning score. It was not to be and the innings wilted to 168. After such a magnificent start from Craig and Terry it was a disappointing total.

The RBSC soon launched into an assault and both Rainer Coster and R. Mann began to make the score of 168 a feeble one. Rainer batted with a panache that he is always well capable of and Mann was hitting any short ball, of which there were plenty, with ease to the boundary. Coster (15) was spectacularly run out by Jack Dunford but Mann and B. Farmer (n.o. 26) continued the onslaught. Mann was eventually out to a tantalising delivery from Steve Bolton for an excellent 96. The RBSC soon reached the required runs. Mike Evans and Mac Sayer bowled lengthy spells but the batsmen were just too good for us on the day. A special word must be said in defence of Mike Evans's bowling. Being a genuine spin bowler there will be occasions when particular batsmen will score heavily against him. Don't despair Mike your day will come! To have a wily spin bowler in your side will always be an asset.

Next fixture - British Club v RBSC - Marshall Trophy. 3/3/85

Many thanks to Telly for acting as official scorer. There cannot be too many French speaking Iranians that have a love of cricket!

The Bridge Club has enjoyed a very good year with an average of 5 tables of Duplicate Bridge every Monday evening. There will be an election of officers for the common season on Monday, March 25th, at 7.30 p.m. just prior to Bridge.

Everyone welcome.
