Now you can drink 100% pure water from the tap..... or the klong.

Now for the first time in Thailand.

Filopur is the most advanced method of its kind of water purification in the world. Its revolutionary purifying process is superior to any other method of water purification currently available. The unique purifying method was developed by scientists for use in the American space programme, as the safest, most effective, and most economical process for purifying water ever developed. Filopur has been tested and approved by the Health Authorities of over 20 countries, including Thailand. It's the most convenient way to purify water.

How does Filopur work ?

Filopur purifies water by retaining all the health giving minerals whilst removing harmful bacteria and germs . . . like E-coli, coliforms, amoeba, . . . germs that cause dysentery, cholera, typhoid and diarrhea, the germs that even boiling can't always destroy and Filopur removes haze and discoloration. Many foreign substances, such as chlorine, are eliminated.

GOLF NEWS

Don Muang (4BBB) 6 July

In windy dry conditions at Don Muang on 6 July the 4 ball better ball competition play produced some very low scores. As an indication of this the ball sweep 'cut' was 70 - two under par.

With this an average of 69.8 for the 21 pairs playing showed a high standard of golf on some pretty 'hairy' greens.

Winners were Messrs Calvert and McDermott
with a nett 61

Runners up were Messrs Pott and McLean
with a nett 63

The Front and Back Nines were won by Martin and Van der Watt (31) and Shackelford and Neville (32) respectively.

The Eagles nest was at last won by Tim Martin with an eagle on the par five 5th, down wind with a drive, 5 iron and 1 putt. Congratulations Tim. - 20 Balls worth.

Kao Yai Weekend (31 October)

Your committee is trying to arrange a weekend at Kao Yai again from 31 October to 2 November.

The arrangements will be much as the previous meet and we require an indication if interested parties.

Please put your name and numbers on the board at the club as soon as the notice goes up if you intend going.

When we have an idea of the total interested we can then issue an official letter with information on the bookings.

Lapsed Handicaps

Some of the players at the 6 July match were in line for good prizes but were ineligible due to lapsed Handicaps. One card is enough to keep you in with the boys and a chance to win. Send it to Tommy Madar our Handicap Secretary or any Committee Member to be safe.
